- Documentary Films.
- Advertising .
- Mobile Content Consultations for Telecom firms.
- The state-of-the-art Interactive TV projects.

## Global Magazine (FREE):

The Media market is almost saturated of traditional similar publications. As media consultants, and backed by our experience and expertise in media we are publishing a unique UK licensed print and electronic magazine entitled **Global Magazine: [www.global-magazine.net](http://www.global-magazine.net)** to handle the international education (English and universities

worldwide, immigration, tourism and international investment.

The preparation has taken 4 years as we have been watching and studying the recent changes in media markets. The millions of visitors inputs to our website [Canada Newcomers Network \(www.CNNI.net\)](http://www.CNNI.net) have provided us with a clear vision. After opening its planned office s it will operate immediately utilizing selected correspondents in addition to our current business partners in the following countries: United Kingdom, United States, Canada, Australia,

New Zealand, Ireland, Malta, South Africa, Saudi Arabia and Egypt.

The success factors are obvious. From our direct monitoring and contact with the Middle East markets and according to the independent reports and more than 7 million visitors of CNN1.net, it was clear that this unique magazine has come in time. We will print FREE 10,000 copies quarterly to cover the Middle East in the year one. Next, we will see if it feasible to publish it monthly

## The Interactive TV: InterAct©

As multimedia & interactivity consultants since 1991 we introduce InterAct© as the state-of-the-art media technology. It is an interactive TV solution that comprises HW, SW and strategies under a unique vision to create a new experience in education, shopping, adv., health care, internet and more using the TV.

## Canada Immigration & Investment:

Hundred thousands of skilled workers and business people IN The Middle East are seeking immigration to Canada as the peaceful multicultural country of choice destination. It's economy, vast area,

high tech, rich natural resources and lack of population put it as their first choice.

In July 2004, The founder, Mr. Magdy, has published one of the most influencing web media specialized in Canada immigration and Education in Arabic language: Canada Newcomers Network - CNN: [www.cnn1.net](http://www.cnn1.net).

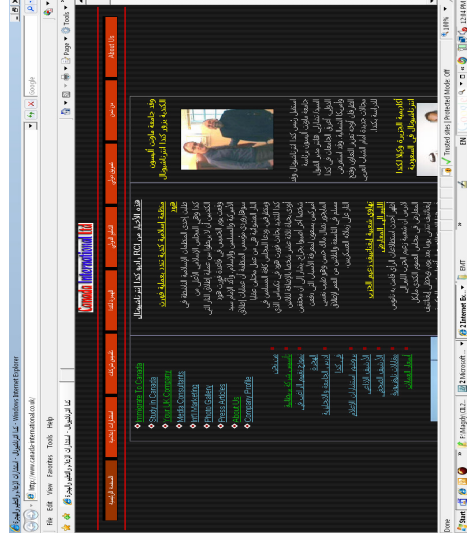

Independent reports stated that the number of immigration visitors has exceeded **7,379,162** from June 2005 to from June 2008 to 11 Nov 2008

In 2007 another website was added: [www.canada-international.co.uk](http://www.canada-international.co.uk)

These two websites were able to attract so many investors and skilled workers seeking immigration from all over the Middle East and Europe.

Due to the **consumer protection** concept we adopt and trust we gained, thousands of visitors requested to recommend or assess a lawyer or a consultant to provide them with the immigration services.

So, we have signed several agreements

with good entities to refer and forward the applicants to under our quality management monitoring.

CIL is developing its websites to add new look, functions and shopping cart.
